PALMETTO LITERACY COUNCIL

Building a Stronger Community Through Literacy

Giving Tuesday is December 2nd — and every dollar you give today changes a student's life.

We're raising funds to provide tutoring services for children and adults who need help with reading, writing, and math. AND, an *Anonymous Donor will match your donation up to \$10,000!* That's right, when you [donate any amount](#), it will double!

Your gift supports the mission and provides essential resources to update our tutor curriculum, provide support materials to our students, and more. Your financial support will change people's lives - academically and in the workforce.

Help us reach our goal today and see your [donation](#) double! #GivingTuesday

A Message From Our Director

Happy Holidays!

We are all celebrating so many holidays in the month of December! This is the season for giving thanks. We take time daily to count the well-wishes and blessings we have received. We are here to help our community, and we recognize it takes all of us together to make those positive changes. We are grateful for our community.

We are grateful to all of our volunteers, for the donations we have received that keep us going, the PLC staff, the Board of Directors, and those of you who have supported us!

We have helped about 450 students since we opened our doors in August 2019. We faced the COVID shutdown (7 months after opening) and recovery period, and emerged growing. Thirteen students graduated from Palmetto Literacy Council last year, and thirteen have already graduated this year.

We are grateful to our students' parents for getting the students to the office to be screened, then for getting them to their tutoring sessions. We are grateful to those adults who want to learn to read, and we appreciate the courage it takes to make that happen.

Thank you!

Dodi
